# THE PARK CITY STORY “TOWN TO TRAIL”

Like summers when you were a kid.  
Only the playground's bigger.

Park City, Utah's a bit like summer vacations when you were young. But in place of slides, sandboxes and monkey bars, there are mountains of hiking and hiking trails. And instead of having to go home for dinner, you get to choose from over 100 restaurants and bars. Not to mention the neighborhood playground further, but Park City also has dozens of shops and brand name outlets, several championship golf courses, and a calendar full of summer concerts, sporting events and arts festivals. Maybe growing up's not so bad after all. For more information or to request a free vacation planner, visit [parkcityinfo.com](http://parkcityinfo.com) or call 800-452-1360 x215.

## 15 YEARS AGO

- Park City visionaries realized that private development was going to gobble up all the trails in the surrounding mountains.
- Mountain Trails Foundation was founded with Executive Director Troy Duffin. He led the charge working with planning commissions, city and county councils.
- His legacy amounted to 350 miles of backcountry trails

# NOW THE DEVELOPERS COME TO US!

## FOUR YEARS AGO

- Several grass roots organizations were formed as everyone realized that traveling Park City not

## CITY COUNCIL

- We went enmasse to City Council meeting.
- This proved to be an effective strategy and Park City Council engaged a study by a prestigious Salt Lake City company

# LANDMARK STUDY

Landmark conducted a study, telephone polls and surveys and hosted several community forums. These forums were the most attended community forums ....ever!

**The public played a major role in defining these issues through a telephone survey; a series of school, neighborhood, community, and public forum meetings; with input from City Staff, a Steering Committee and the Share the Road Committee. The result is a comprehensive system of improvement projects that are "doable" with resources available and without major shifts in public funding, and makes the pedestrian environment safer and easier to navigate**

# PRESENTED TO CITY COUNCIL

City Council agrees to \$19,4000.00  
“That’s NOT Enough”

- OK! Let's put it up for a bond.
- \$15m
- We created a campaign committee
- YOW! Yes on Walkability!

## **Vote for Walkability!**

*I Support the Walkability Bond because...*

***"... because the safety  
of every child in Park  
City is worth more  
than this \$15 million  
dollar bond."***
