

Aventura

Sewing & Embroidery Machine

FOR THE LOVE OF SEWING

Presenting the Aventura

The Baby Lock Aventura will guide you on your next creative journey. Advanced features and Baby Lock IQ Technology make every step easier. Use the two-way USB connectivity to load your favorite designs to the machine or choose from 141 built-in designs. Then, make every project unique with a variety of built-in editing features. You can even edit fonts like other designs. Choose individual letters and change colors, size and more.

The Aventura has many advanced sewing features, too. The Advanced Pivoting Feature will make it easy to sew curves and turn corners. And the Automatic Fabric Sensor System will adjust tension for the perfect stitches on a variety of fabrics. From fashion sewing to embroidering home décor, the Aventura will always help you on your creative voyage.

Key Embroidery and Sewing Features

IQ Color LCD Screen

Everything you need is just a touch away. Access your stitches, designs, settings and more all through the color LCD touch screen.

IQ Two-Way USB Connectivity

Easily sew and access designs from a USB flashdrive, download machine updates and more.

Large Embroidery Field

Stitch bigger designs and enjoy less re-hooping with a large embroidery field—6-1/4" x 10-1/4".

IQ 141 Built-In Embroidery Designs

With 141 built-in embroidery designs, you'll always find inspiration in the Aventura.

IQ On-Screen Embroidery Editing

Make changes to your embroidery directly on screen. Simply resize, rotate, and move the design as needed. Changes happen before your eyes.

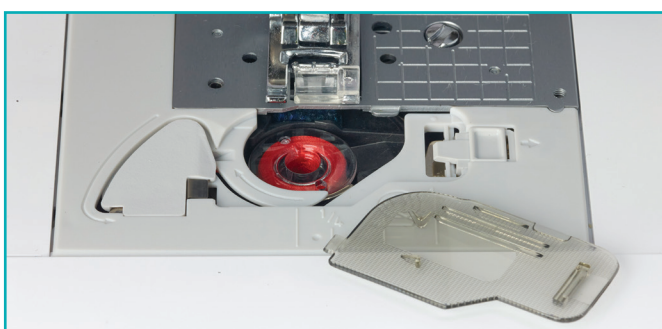

IQ Advanced Pivoting Feature

Turn corners, follow curves and maneuver around appliqué shapes easily.

Advanced Needle Threader

Follow the path and press a lever—that's all it takes to thread the Aventura. The Advanced Needle Threader is so convenient you can do it all with just one hand!

Quick-Set, Top-Loading Bobbin

When you're ready to sew, simply drop a bobbin in and go. It's always easy to get started.

IQ 13 Built-In Embroidery Fonts

Personalize your projects with lettering. Choose from 13 built-in fonts and edit them like other designs. You can even choose individual letters to make changes and create something unique.

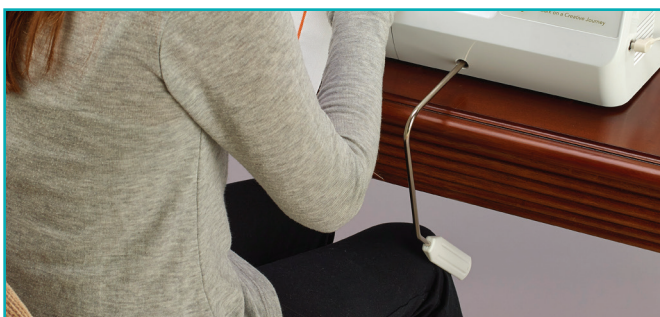

IQ Automatic Fabric Sensor System

The Aventura will deliver the right amount of pressure and thread tension to ensure perfect stitches when sewing a variety of fabrics.

IQ 300 Built-In Stitches

With 300 built-in stitches, you'll have many creative options. From numerous utility stitches to decorative ones, you'll find something for every project.

Knee Lift

Keep your hands free for more sewing control by using the knee lift to raise and lower your presser foot.
