Introducing the all-new and totally affordable Janome Magnolia line. Choose from a basic 6 stitch to a 30 stitch computerized machine.

You can even pick up a serger for a song.

But great value isn't all you get with our new Magnolia line.

You'll also enjoy much of the same state of the art technology that goes into our more sophisticated machines.

The new Janome Magnolia machine line. It has your name written all over it.
