

CLASS SUPPLY LIST: Faux-Sashed T-Shirt Quilt

This Faux-Sashed T-Shirt quilt will have strips around half of the blocks to give it a sashed effect with less work. The angles of the strips give it a fun and playful look! Finished quilt size 54" x 67.5" w/o borders. If you prefer the "Quilt as You Go" method, that will be explained, and instructions will be provided. Walking foot quilting will be explained and demonstrated.

NOTE: Make necessary yardage adjustments should you desire a bigger finished quilt, bigger or smaller blocks, full sashing or NO sashing.

Skill Level: This class is for the confident beginner, new to quilting, or simply wants a refresher while learning new techniques. **Instructor:** Jayne Vetter

Class Length: 3 sessions, 3 hours each

Harley Davidson "Faux Sashed" T-Shirt Quilt

10 - (12") t-shirts blocks with sashing, 10 - (14") t-shirt blocks with no sashing, 5" border.

Traditional method: whole top assembled, layered with backing and batting. Machine quilted as a whole quilt, the bigger the quilt the harder it is to do. Have Long Arm quilted!

"Quilt As You Go" Child's T-shirt Quilt: (Front & Back view)

20 - (9") T-shirt blocks, 1.5" sashing, 4" border.

QAYG method: Each block was quilted using a walking foot (pictured below). Sashing was used to join blocks; batting was added in-between sashing strips. Sashing was machine quilted. Borders were added with batting between border layers and then machine quilted.

Walking Foot w/Quilt Guide Bar (Available at Montavilla)
