

CLASS SUPPLY LIST

Quilting Project: TOOL keeper

Learn all the components of making a quilt on a much smaller scale. Techniques covered include rotary cutting, strip piecing, seaming & pressing. Incorporate your sewing machine decorative stitches as quilting. Finish with binding.

Skill Level: This class is for the confident beginner, familiar with the sewing machine, new to quilting, or simply wants a refresher and/or to learn a different approach.

Instructor: Jayne Vetter

Class Length: 1 session, 4 hours

Class Fee: \$40.00

Tool keeper Dimensions when open:
(Small) 13" x 15", (Large) 21"x17.5"

Sewing Tools
Working Sewing Machine, Optional: ¼" presser foot
Rotary Cutter & ruler
Optional: Small iron & press mat
thread snips or scissors
seam ripper
Pins and/or Clips
