"NeoCon 2024 presents a great opportunity for us to build on the momentum of our debut last year. Our updated showroom has been designed to challenge perceptions, inspire creativity, and prompt reflection on the increasing diversity of tailored spaces, experienced in contemporary workplaces now and in the future," says Peter Schiavello, CEO of [Schiavello](#).

After their iconic Hedge Seating became the talk of the 10th floor at hashtag [#NeoCon2023](#), Schiavello are looking forward to continuing the theme of play and exploration with some exciting new innovations. These include a focus on the diversity and functionality of their Focus Quiet Room range, as well as new tech integrations and the next evolution in workstation design.

"After welcoming thousands of attendees to our showroom and being recognized with five Best of NeoCon awards, last year will be hard to beat but we're very excited to see what NeoCon 2024 has in store."
