"The Schiavello showroom has seen an endless stream of designers, architects, and curious folks pouring through in previous years, all buzzing about our Australian design flair. The overwhelmingly positive reaction to our bold, innovative designs made it clear we'd brought something fresh to the NeoCon scene. These moments cement NeoCon as the place where Schiavello's innovation shines and industry connections get real," says [Jeff Thompson](#), Executive VP of North America at [Schiavello](#).

"This year we're continuing to highlight our 'Anything is Possible' ethos, showcasing exciting new, tailored solutions. Fundamentally good design, malleability and integrated technology is central to Schiavello's design philosophy and ensures we deliver workspaces that are perfectly in sync with the designer and client's vision, enhancing functionality and style. See you at showroom 10-135!"
