

AUDIT APPLICATION

Term _____

The audit option can only be selected through the second Friday of the regular semester and through the first Friday after four class days of a summer session. Once the add/drop period is over, the option to audit a course is forfeited. Students must obtain permission and the signature of the instructor whose course they choose to audit. An instructor has the right to refuse to permit students to audit a course. Students registered to audit a class are not guaranteed a space until after the drop/add period. The audit enrollment form is available from the registrar's office once you are admitted.
