## Final Exam Schedule

**Exam Dates: December 11, 2023 through December 15, 2023**

These final examination periods are for all schools, on campus, graduate and undergraduate, excluding Law.

Final examinations are held in all courses upon the completion of each semester's or term's work. No one is to be excused from the final examinations. All classes will meet during the time scheduled for final examinations by the Registrar's Office. Students who have three final examinations scheduled on the same day may seek permission from either their instructors or their academic dean to have one exam rescheduled for another day within the final examination week.

The final exam periods are listed here according to the scheduled class meeting times. The final exam period for any class whose meeting time(s) does not appear in this schedule or classes that are held just one day a week will be held during final exam period that corresponds to the scheduled meeting time of the class.

Also, any courses that may have been submitted *after* this publication went to press may not be reflected in this schedule. In that event, please check with your instructor for final exam times.

Final exam periods are subject to change. If inclement weather exists, please contact the university for further instructions.

If you have any conflicts or questions, please contact the Registrar's Office.
