**WELCOME TO TROWBRIDGE FOREST**  
MULTI-USE MOUNTAIN BIKING, HIKING & SKI TRAILS

Welcome to Trowbridge Forest Multi-use Trails. This system consists of over 40km of mountain bike optimized multi-use trails built and maintained by dedicated local volunteers. Development of these trails is made possible through donations and support of Blacksheep Mountain Bike Club, the City of Thunder Bay Parks Division and their partners. For more information about the trails, conditions and the most up to date map please visit [trailforks.com](http://trailforks.com)

**Trail Rating System**

- Access Trail**  
Wide and grass/gravel ski trail surface. Suitable for all users.
- Beginner**  
Gentle climbs and easily avoidable obstacles such as rocks, roots and pot-holes.
- Intermediate**  
Challenging riding with steep slopes and/or obstacles, possibly on a narrow trail with poor traction. Requires riding experience.
- Advanced**  
A mixture of long steep climbs, loose trail surfaces, numerous difficult obstacles to avoid or jump over, drop-offs and sharp corners.

**Trail Etiquette**

Share the trail with all other trail users. Protect yourself, wear a helmet. Slow down when approaching other trail users. Make others aware you are approaching. Obey all signage. Don't ride on or re-open closed trails. Be sensitive to the trail and its surroundings. Help keep this park clean, do not litter. Inspect Technical Trail Features (TTFs) before riding. Ride slowly on crowded trails. Don't build unauthorized trails. Even good a dog must be on-leash. Please respect groomed trails by turning around if you start to leave ruts or holes.

**Disclaimer**

All trail based sports have a higher level of risk and therefore the potential for hazardous and/or dangerous situations. All users are required to know their limits and use these trails at your own risk.
