Chicago, Illinois, United States

I utilized hand saws, chainsaws, backpack air blowers, 7400A TerrainCut Trim & Surrounds Mower(John Deere)[Diesel], TS 4X2 Utility Vehicle(John Deere), Jacobsen Turfcut 628D 4wd 62" Heavy Duty[Diesel], 2000 Cushman groom master sand trap rake vehicle, augers, loppers, shovels, hand pruners, axes, hammers, rakes, wheelbarrows, lawn mowers, trowels, shears, hedge trimmers, and string trimmers and hedgers among other tools to apply carpentry, sanding, sawing, and painting.

City Year Chicago Americorps

Student Mentor

August 2019 - June 2020 (11 months)

Greater Chicago Area

While working with my partner teacher, I was able to formulate lesson plans, progress logs, and arrange meaningful events. Monitoring and recording student growth is truly a humbling experience that provides further inspiration. In addition, the bonds that are formed and lessons that are mastered leave a trace of accomplishment.

I acquired a Tri-State CPR/AED And First Aid on December 9th, 2019. Soon after, I received a certificate of Excellence by Dewey School Of Excellence

on January 31st for helping the 3rd exceed the MOY growth norms in Math on January 31st. To conclude, I finished my service with City Year with a certificate of graduation on June 12th,2020.

Calvin College
1 year 1 month
Weather Technician
September 2018 - May 2019 (9 months)
Grand Rapids, Michigan

It is my duty to test all equipment is operating properly, for the data collected through the anemometers enable my supervisor to further construct upon her research on the Bear Dunes and their characteristics. Another of the tasks I am bestowed with is endorsing certain events from our department with the fellow students through posters, power-points,flyers, and other formats of display .

Ecopreserve Steward
May 2018 - May 2019 (1 year 1 month)
Greater Grand Rapids, Michigan Area

We have set on to salvage multiple plants as well remove invasive species, like honeysuckle, buckthorn, and threatening plants like the poison ivy. Some of the crews that have assisted us on our mission are the St. John Foster Program and the Hope Network. Other projects we have pursued are native bird nesting monitoring, maintaining our trails, building a trail bridge as well as preserving our greenhouse and gardens.

Calvin College Multicultural Center
Puentes Leader
September 2018 - May 2019 (9 months)
Grand Rapids, Michigan, United States

During my Senior year in college I went on to serve in the Puentes program. At a moment where multiple assignments ,projects, and tasks were entrusted to me, I found myself accepting another duty as a Puentes Leader. One particular event I remember clearly was Sabor Latino. This gathering was an awaited opportunity by Calvin students all around campus to interact and have fun through multicultural food and music. I was fortunate enough to receive the support of my team members, which included Ms.Abigail Leon,Mrs.Rosalba Ramirez,Jancy Mendoza, and Mr.Martin Avila among others to organize the event. Everyone contributed in multiple forms to allow it to become a reality. Despite the pressure, we were able to communicate, arrange, sponsor, acquire, and reserve all the needed elements to enable the awaited dance to take place. When it was time, it truly became a magical night in which good food,music, and memories were shared. Overall, this moment taught me how to establish meetings, interchange ideas, construct projects, follow through with deadlines, stay on an organizational budget, and most importantly,have fun.Furthermore, I grasped additional insight on how to better support new incoming students to our institute from diverse backgrounds as well as to facilitate them with essential resources and personnel.

Calvin College Physical Plant

Groundskeeper

September 2017 - May 2018 (9 months)

Greater Grand Rapids, Michigan Area

Land mowed certain areas of the fields that surround the campus. Removed weeds. Learned how to use edgers and wind blowers to trim and improve the landscape.

Calvin College

Sustainability Coordinator

September 2016 - May 2017 (9 months)

Greater Grand Rapids, Michigan Area

It is a group I joined to raise environmental awareness. Within this organization of Sustainability Coordinators, I have assisted in contributing on arranging and building on upon several events such as the ecological movie viewings like " Before the Flood", [Plant your own pot], Environmental based Bible studies, ecological eating gatherings, and [Kill-A-Watt (Part of the January Series)].

SCA and Friends Of the Forest Preserve

Steward Apprentice

June 2015 - August 2015 (3 months)

Greater Chicago Area

Learned how to utilize, sharpen, and maintain a chainsaw functional within a proper format.

Used handsaws, loppers, shovels, and tree bark scrapers to execute certain assigned duties.

Took part in cutting down infected trees by the Emerald Ash Board Insect and utilized the wood to build further turnpikes for trails.

Lawrence Technological University

Apprentice

June 2013 - June 2013 (1 month)

Southfield, Michigan, United States

Through the support of my mentors in Rowe Clark Math and Science Academy, I was able to undergo on a summer program. This internship, A Summer Of A Lifetime, enabled me to explore the foundation that upholds the field of psychology on Lawrence Technological University in regards to counseling and diagnosing patients.

Education

Calvin College

· (2015 - 2019)
