- Jump and park construction
- Demolition
- Hard labor for many hours
- Hand Tools Proficiency
- Riding bikes

PROFESSIONAL SUMMARY

Very hardworking, motivated to learn and create amazing bike parks, trails and jumps. willing to work as a unpaid apprentice to learn as much as I can to get a good Headstart. I have Bill and designed many big wooden jumps and ramps for personal projects. I have been super dedicated and devoted to building and biking for a while, I hope to make this my future career, and I am willing to work as hard as it takes, and as long as it takes.

EXPERIENCE

October 2023 - December 2023

Construction Apprentice

Action Sports Construction , Richmond, CALIFORNIA

Helped build dirt world richmond bike park. Worked for alex fowler at action sports construction. Learned many techniques and lessons about building parks and how its very different then building trails and jumps like im used too. Came every weekend for a while, then worked many days over winter break until we finished the park. I spent around 100 hours helping out. Learned how to roto till, plate compact, drive a skid loader and shape rollers, berms and jumps.

June 2023 - August 2023

Bike Mechanic

Mikes bikes on salano, Albany, CALIFORNIA

Apprentice bike mechanic, building bikes, general maintenance ect. Worked every other day from 12 to 7. learned how to interact with customers and complete transactions.

June 2022 - August 2022

Construction Assistant

Davenport Builders Company, Berkeley, CALIFORNIA

Worked through my father's company as a general construction assistant, foundation, demolition, and other tasks. Grew up building with my father, as he is an avid carpenter. Helped build and design multiple small watercraft like row boats. Used a lot of my existing experience to design multiple wooden ramps for personal jumps in the hills

EDUCATION

Expected graduation June 2024
