David and Glen, principals in Northeast Trail Works, LLP, have certifications in "Trail Building and Stewardship for Non-Motorized Multi-Use Trails" from Northern Vermont University and "Mechanized Trail Equipment" through Trails Unlimited, LLC.

Years of volunteer work with municipal agencies and non-profit organizations, plus training in sustainable trail design, have positioned them to be experts in:

- > *Current Conditions Inventory*
- > *Trail Planning*
- > *Trail Building*
- > *Trail Repair/Maintenance*
- > *Bridge/Boardwalk Designs & Construction*
- > *Community Outreach/Public Surveys*
- > *Trail Closure/Restoration*
- > *Volunteer Management*
- > *Site Planning and Rendering*
- > *Mapping and Signage*

Reach out to learn more about our qualifications and services.
