The candidate should be able to contribute to building relationships, support the success of new implementations to increase the business' revenue potential and minimise churn rates.

Responsibilities include supporting customers as they transition from sales prospects, building close relationships that last a client lifetime, acting as both a Sova expert and their trusted partner and managing the renewal process.

Ultimately, you will work directly with clients to help solve their problems and ensure their satisfaction while they are an active account with us. You will also work closely with other employees to ensure customer questions and concerns are addressed in a timely manner.

- Achieve client retention goals (subscription renewals).
- Minimise churn and contraction on subscriptions.
- Manage the renewal contracting and invoicing process.
- Assist customers with adoption and navigating the Sova platform.
- Promote the value of the Sova product.
- Embed the product within the client, to help them gain full value and become 'sticky' with us.
- Look for Upsell opportunities for the Sales team.

- Work closely with Customer Support, Product and Engineering to bring the best solutions and resolutions to clients.
- Promote value through an excellent customer success experience.
- Assist in creating training and educational materials.
- Join and take part in Client workshops around innovation and adding value.
- Review and work to resolve any customer complaints and concerns and seek to improve the customer experience.
- Organising and running quarterly QBR's with clients
- Understand the Sova platform and capability and be technically savvy on the platform (front and back end).
- Understand the unique client use-cases to an in-depth degree to best serve the client.
- Sustaining business growth and profitability by maximizing by ensuring Renewals are maintained at no less than 90%.
- Ensuring clients are happy with our platform and it delivers the best possible value for them.
- Analysing customer data to improve customer experience.
- Holding product demonstrations for customers.
- Delivering training to customers to ensure platform adoption is high.
- Resolving issues for clients through working closely with Customer Support.
- Operate as the Client's expert and trusted advisor.

WHO ARE WE LOOKING FOR?

- Proven work experience as a Customer Success Manager or similar role
- Experience working in recruitment tech and promoting value through customer experience.
- Exceptional ability to communicate and foster positive business relationships.
