

Job Title: Ocean Conservationist (x8 positions)

Reporting to: Ocean Conservationist Manager

Location: Bay of Biscay - departing Plymouth (x2), Portsmouth (x4) or Rosslare (x2)

Hours & Salary: 37.5 hours per week **for your time on ship only**, paid at UK National Living Wage

Age Restriction: Must be 18 or over to apply

Please note that this role is subject to a DBS/background check, to be arranged post-interview.

ORCA is a marine conservation charity dedicated to the protection of whales, dolphins, and porpoises and their habitats worldwide. We use citizen science, corporate partnerships, and innovative education to create safer spaces for cetaceans, ensuring future generations can enjoy these incredible animals.

About the Ocean Conservationist Role

Since 2001, ORCA has partnered with Brittany Ferries to provide passengers providing unique educational experiences about marine life and unforgettable wildlife experiences. As an Ocean Conservationist, you will:

- Act as an ambassador for ORCA, reaching tens of thousands of passengers each year
- Conduct wildlife watches to collect scientific data using the OceanWatchers app, providing critical insights into cetacean populations
- Deliver talks and interactive activities about whales, dolphins, and marine conservation
- Fundraise for ORCA's vital conservation work
- Experience diverse daily opportunities, as no two sailing days are the same

Roles & Responsibilities

- **Inspire Passengers:**
 - Act as an ambassador for ORCA, engaging passengers of all ages about marine wildlife and conservation
 - Develop and deliver lectures and activities for both children and adults
 - Create other high-quality educational materials to be used on board
- **Collaborate and Communicate:**
 - Build strong relationships with the ORCA team and ship crew to ensure smooth daily operations
 - Communicate daily about upcoming activities and engage guests or crew in a friendly, approachable manner
- **Fundraising:**
 - Meet fundraising targets for on-ship donations by creating and leading activities that encourage guests to donate
 - Promote ORCA's membership program to increase sign-ups and support
 - Proactively engage passengers in conversations about supporting ORCA's mission through donations and memberships
 - Regularly report on donation progress and ensure targets are met
- **Data Collection:**
 - Conduct daily wildlife watches and collect sightings data using the OceanWatchers app
- **Administrative Tasks:**
 - Keep accurate daily records of activities, donations, and visitor engagement
 - Stay updated with ORCA's work, history, and current projects to communicate effectively
- **Content Creation:**
 - Create engaging content for ORCA's social media and write blogs for the website, raising awareness about marine conservation and ORCA's mission
- **Guest Experience:**
 - Go the extra mile to ensure guests have the best possible experience
