

Why Support Growing Chefs! Ontario?

For 15 years, we have been creating and providing impactful, hands-on cooking and food literacy programming for families and schools in our community and beyond, regardless of financial, social or logistical barriers. To date, over 75,000 children and youth have participated!

As always, our Sponsorship Program will support our School, Community and Garden based programming, but this year we are excited to announce an additional Project and benefits

Growing Chefs! Ontario has purchased the local Londonlicious Festival. The goal of Londonlicious is to build a strong, local food economy, featuring fantastic local restaurants, showcasing the best locally grown products, spotlighting what is unique and delicious in London, Ontario.

The Londonlicious Festival will help Growing Chefs! Ontario in realizing our vision of a healthy community that is engaged with our food system, and operating the festival will further the impact of our organization locally. It will also create a much larger platform for recognizing and promoting our Corporate Sponsors.

The londonlicious.ca website receives over 300,000 unique visits each year! Add in the benefit of event discounts at Growing Chefs! HQ, customizable corporate volunteer training and staff volunteer opportunities, we are excited to offer an all encompassing, impactful and unique sponsorship program to help bring our community together to support the future of our local food economy.

Thank you for choosing Growing Chefs! Ontario.
