# METRICS & VISIBILITY

## HIGH VOLUME!!

Due to the overwhelming interest, the festival website received over **1,000** unique clicks in a 60 second timeframe causing the website to break temporarily!

Our continuous partnership with Bell Media includes live television segments, radio & digital ads, updates on their community calendars and exclusive Londonlicious giveaways.

\*All metrics taken from December 1/23 - February 11/24, from the announcement of the Winter Edition Festival.

# TEMPERATURE CHECK

“We have been doing summer and winter editions since the start and really enjoy being able to try **new & different restaurants** within the city!”

- Anonymous Participant

“Although I didn’t visit new restaurants during the event I **learnt about several new ones because of this event** and they are now on my list to try! I’ve already been to one - **Tuscanos!**”

- Katie G.

“I feel like **The Chef's Table** is a hidden gem downtown. When you go there, you're not just getting a delicious meal; you're also supporting Fanshawe students to get hands-on experience in all aspects of working in restaurants. It's a win-win. And if you go during Londonlicious, you're supporting Growing Chefs! So really, **it's a triple win.**”

- Shelby W.

# ABOUT US

Growing Chefs! Ontario is a registered charity based in London, Ontario. We unite Chefs, growers, educators and community members through integrated food education projects. We are changing the way families learn about and develop healthy relationships with food!

For over 15 years, Growing Chefs! Ontario has created and provided impactful, hands-on cooking and food literacy programming for families and schools in our community and beyond, regardless of financial, social or logistical barriers.

To date, over **85,000** children and youth have participated!

**In 2022, Growing Chefs! Ontario purchased the local Londonlicious Festival, and rebuilt it from a for-profit, to a nonprofit model. The primary aim of the reimagined festival is to enhance a strong, local food economy, with fantastic local restaurants and the best locally grown products at its heart.**

**The festival spotlights what is unique and delicious in London, Ontario.**

The Londonlicious Festival supports Growing Chefs! Ontario in our vision of building a healthy community that is engaged with our food system! All sponsorships of the bi-annual festival also supports our children's education projects in school, the community and in our garden-based programming.

Growing Chefs! Ontario is excited to offer an all-encompassing, impactful and unique **sponsorship program** to help bring our community together to support the future of our local food economy.
