Revive and Thrive Programme What's involved?

Wiseup's independent analysis and follow-up report allows you to identify hidden risks and opportunities, solutions to business challenges and methods to become a consistently high performing business

Step 1

Insight Sessions

- ◆ Skillfully facilitated sessions with our Wiseup Experts
- ◆ One session for the Leadership team
- ◆ Sessions for groups of 4-8 Employees
- ◆ Each session guided by one of our experienced performance coaches

Step 2

Survey

- ◆ Follow-up survey about the business strategy, response to the pandemic and people development sent to all Employees
- ◆ Anonymous feedback gathered
- ◆ Findings enhance output in Step 3

Step 3

Report & Review

- ◆ Wiseup issues a detailed report containing our findings, observations and recommendations
- ◆ Findings discussed between the business leader, Wiseup team and lead performance coach

Wiseup is an advisory body of experts that can then support your business through executive and employee performance coaching

Don't just take our word for it!

The remote session was smoothly run, highly engaging and gave all levels of the business chance to give honest feedback to challenging questions in the wake of an unprecedented 12 months. The report was extremely detailed and the insights will now be crucial for evolving our business strategy and learning & development plan going forward. Highly recommend!
