

Boat Insurance

What is it?

Boat Insurance covers a wide variety of watercraft, from small crafts, dinghies and motorboats, through to canal boats, houseboats and prestige yachts.

Owning a boat means that you need cover if your vessel is damaged, stolen or lost, or if someone gets injured on board.

Who needs it?

Whatever type of vessel you own, you need to make sure that you, your boat and your passengers are protected if something were to happen.

What does it cover?

Your boat is as individual as you are and so you'll need a policy tailored to your particular needs.

Need a policy for your occasional use? We can do that.

Want to live on your boat? No problem.

Got an urge to do some informal racing? Sorted.

Contact us and let us find the best policy for you, which might include:

- Loss or damage to your vessel
- Loss or damage to personal effects or contents
- Loss or damage while in transit

- Passenger or Public liability
- Medical expenses
