

Motor Insurance

What is it?

Motor Insurance can be arranged to suit you whatever kind of vehicle you have, or however many you have, whether you are a new driver or have years of experience, whether you want Third Party, Fire and Theft cover or Comprehensive.

Who needs it?

Motor insurance is a legal requirement for everyone who owns a vehicle, even if that vehicle is off the road (unless SORN).

At rhg, we can arrange the right cover for you, whatever your circumstances, including if you are an ex-company car user, if you have previous accidents or claims, motoring convictions or driving bans.

What does it cover?

You might have a family car, a classic car, an imported motorcycle or a small van. Whatever you drive, and whoever drives it, there are a range of covers that you can choose from.

Using rhg Insurance Brokers to arrange your cover, you can find the right policy for you, at a competitive premium covering a range of options:

- Third Party, Fire and Theft Insurance
- Comprehensive Cover
- Multi-car Cover
- Motor Claims Protect
- Legal Expenses
- Breakdown Assistance
- Courtesy Car
- Uninsured Driver Promise (selected insurers)
- Excess Protection
- Medical and Rehabilitation Services

What does having Motor Insurance through rhg mean to you?

Arranging motor insurance through comparison sites might be something you have done in the past. Seemingly the 'cheap' option, we can understand the appeal. But thousands of people find themselves out of pocket after they need to claim, when they realise that their policy had hidden terms and conditions that they weren't aware of or excess levels that were higher than they thought.

Your rhg Account Manager will talk to you about your requirements and find out what options you need. They will compare the right policies and get you the best deal, without compromising your needs. You can sit back and relax, knowing that you're fully protected.
