

Guardia and Guardia Pro, *Surface Protection*
Merchandising

Marketing support, *Table Top Display*

This premium display is compact yet informational, providing customers the perfect way to merchandise the new Guardia sample brochure. There are images showing usage applications featured at the top of the backer, with a QR code printed for quick access to additional information. It is the perfect tool to introduce customers to Guardia Surface Protection.

Instruction Guide

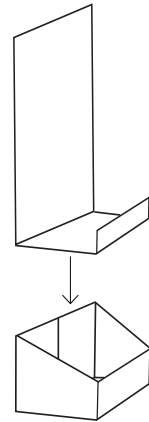

1. VERY FIRMLY FOLD IN EDGES TO ENSURE THE BOARD STAYS IN PLACE AND DOESN'T BEND BACK TO ITS ORIGINAL STATE.

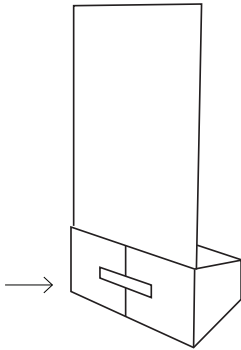

2. BEND FOLDS AS SHOWN BELOW

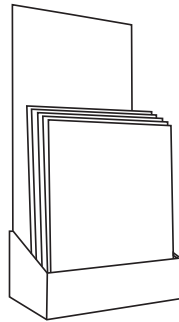

3. PLACE TOP PANEL INTO THE BASE

4. TAPE DOWN BACK FOLDS IN THE BASE

5. PLACE SAMPLE BROCHURES INSIDE BASE
(NOT RECOMMENDED TO PLACE SET OF 25 AT ONCE)

Marketing support, *Brochure*

The Guardia brochure was designed with the customer in mind, efficiently and elegantly educating about the product line and usage applications. It features 2 sample swatches: the left side holds a Guardia sample swatch, and the right side holds a Guardia Pro swatch. This allows customers to feel the difference and understand the product benefits. The brochure has all of the key product details, and is the perfect way to introduce anyone to the line.

5.8 x 8.3 in / 13.5 x 18.5 cm Guardia Sample Swatch

5.8 x 8.3 in / 13.5 x 18.5 cm Guardia Pro Sample Swatch
