Marketing support, A&D Binder

In today's fast-paced A&D community and dealer network, space within design libraries and showrooms is often limited. To address this challenge, we have crafted an elegant and highly efficient solution: Anatolia's A&D binders. Each binder is thoughtfully designed to provide both functionality and sophistication. The front cover introduces the collection with key information and a stunning render. Upon opening, the binder reveals up to 12 sample chips, showcasing the breath of Anatolia's exquisite collection. The sample chips have been carefully designed and cut to be truly representative of the color, vein, and graphical experience. Designed with precision, the binder features a spine that clearly identifies the collection name and material type, allowing for easy access and organization. This binder is an essential tool that merges convenience with luxury, elevating your design experience.

Marketing support, *Sample Chips*

Sample chips are an essential tool for bringing mood boards to life and creating a cohesive design vision. The compact 4 x 5 in / 9.5 x 13.4 cm sample chip is thoughtfully designed for portability and precision, making it ideal for quick comparisons and seamless integration into design presentations. This versatile chip is also featured in the A&D Binder and Sample Chip Box.

Anatolia has created a sample chip program featuring every color and finish combination that includes key information for that color on its back label. The sample chips have been carefully designed and cut to be truly representative of the color, vein, and graphical experience. Anatolia also developed a premium sample chip carrying case to easily and beautifully store, organize, and carry sample chips to meetings.
