2/1 - 6 cm x 24 cm x 18 cm Majesto Verdi Alpi Colorsync Porcelain Tiles

2/2 - 6 cm x 24 cm x 18 cm Majesto Verdi Alpi Colorsync Porcelain Tiles

**MAJESTO, VERDI ALPI.**

Verdi Alpi captures the vivacity of nature with its rich green tones and striking patterns. This surface brings energy, beauty and strength, greater to any setting, celebrating the power and ability of the natural world. A vibrant statement of bold elegance.

**COLORSYNC PORCELAIN.**

Colorsync is Anatolia's exclusive porcelain body technology, engineered to deliver seamless visual integration between surface design and body composition. By blending a natural mix of base colors, Colorsync creates a vibrant, colorful aesthetic that unites with the surface graphic. Precursor, conforming and advanced innovation ensure exceptional performance and a design-forward look from surface to core.

**FINESSE:**

- POLISHED:** Indulge in the luxurious sheen of polished surfaces, offering a high-gloss, ultra-smooth surface with a mirror-like effect. This finish amplifies light reflection, creating a refined and elegant aesthetic. By utilizing high-quality materials and an innovative mechanical process, it delivers a surface that is notably better and more lustrous than traditional polished finishes.
- HONED:** Experience the elegance of honed surfaces, where every surface is meticulously ground to perfection through cutting-edge mechanical innovation. This achieves an ultra-soft, matte finish that offers a soft touch and understated allure, exuding enduring beauty.

**SUSTAINABILITY:**

Anatolia's state-of-the-art facility is designed with sustainability at its core, integrating advanced technologies to reduce environmental impact. A 2.2 million kg solar panel installation generates 21.5 MWh of clean energy, preventing the release of 19,000 tons of carbon annually. A closed-loop water recycling system minimizes waste and promotes conservation, and energy-efficient machinery from global leaders further enhances operational efficiency and reduces waste.

# Marketing support, *A&D Binder*

In today's fast-paced A&D community and dealer network, space within design libraries and showrooms is often limited. To address this challenge, we have crafted an elegant and highly efficient solution: Anatolia's A&D binders. Each binder is thoughtfully designed to provide both functionality and sophistication. The front cover introduces the collection with key information and a stunning render. Upon opening, the binder reveals up to 12 sample chips, showcasing the breath of Anatolia's exquisite collection. The sample chips have been carefully designed and cut to be truly representative of the color, vein, and graphical experience. Available in 6 distinct editions, each binder highlights a curated selection. Designed with precision, the binder features a spine that clearly identifies the collection name and material type, allowing for easy access and organization. This binder is an essential tool that merges convenience with luxury, elevating your design experience.

Marketing support, *Sample Chips*

Sample chips are an essential tool for bringing mood boards to life and creating a cohesive design vision. The compact 4 x 5 in / 9.5 x 13.4 cm sample chip is thoughtfully designed for portability and precision, making it ideal for quick comparisons and seamless integration into design presentations. This versatile chip is also featured in the A&D Binder and Sample Chip Box.

Anatolia has created a sample chip program featuring every color and finish combination that includes key information for that color on its back label. The sample chips have been carefully designed and cut to be truly representative of the color, vein, and graphical experience. Anatolia also developed a premium sample chip carrying case to easily and beautifully store, organize, and carry sample chips to meetings.
