# Marketing support, *A&D Binder*

In today's fast-paced A&D community and dealer network, space within design libraries and showrooms is often limited. To address this challenge, we have crafted an elegant and highly efficient solution: Anatolia's A&D binders. Each binder is thoughtfully designed to provide both functionality and sophistication. The front cover introduces the collection with key information and a stunning render. Upon opening, the binder reveals up to 12 sample chips, showcasing the breath of Anatolia's exquisite collection. Designed with precision, the binder features a spine that clearly identifies the collection name and material type, allowing for easy access and organization. This binder is an essential tool that merges convenience with luxury, elevating your design experience.

### CONFIGURATIONS AT A GLANCE

3-Piece Modular Kit

6-Piece Set Configuration

12-Piece Set Configuration

Maximize your showroom's potential with our innovative modular sintered slab display. Designed with a sleek, angled configuration, this display allows you to present a wider variety of 6 mm slabs in a compact footprint by featuring the sintered slabs cut at a smaller width. Each slab sample is 60 x 280 cm, ideal for spaces with limited room. Each modular unit accommodates three slabs and can be seamlessly combined with side panels to create configurations against a wall or as a freestanding central island using the connectors. A key benefit is that it features a non-fixed system, this display enables you to effortlessly switch out slab selections with ease, or change the direction of how you want the samples to be displayed. Enhance both the aesthetics and functionality of your showroom while providing clients with an expanded selection of Anatolia's premium surfaces, all in a beautifully organized and space-efficient manner.

# Marketing support, *Showroom Waterfall Display*

Available in a 3-piece modular kit, this display's angled design reduces its width, allowing you to showcase a broader selection of 6 mm slabs. Effortlessly expand your display, by adding additional kits without compromising on space. Perfect for tight showroom layouts, the wall configuration optimizes surface area while keeping your premium slabs organized and easily accessible for clients. Its sleek design elevates both the aesthetics and functionality of your display, making it a smart, space-efficient solution.

## SIZES AT A GLANCE

Compatible with tile formats between 8-10 cm thick:

48 x 48 in / 120 x 120 cm

24 x 48 in / 60 x 120 cm

The Rotating Tile Floor Display provides a dynamic and engaging way to showcase Anatolia's porcelain surfaces in large-format sizes. Designed for practicality and impact, this system accommodates a range of tile formats and thicknesses, offering flexibility to showcase multiple product sizes within a single cohesive display.

Each panel smoothly slides out and rotates upward, positioning the surface horizontally for closer inspection. This interactive mechanism allows customers and designers to experience the details, finishes, and craftsmanship of each tile with ease. Every rotating section is double-sided, featuring two different tile colors per panel, maximizing the variety displayed within a compact footprint.

With its functional design and efficient use of space, the Rotating Tile Floor Display delivers an elegant showroom solution for presenting large-format tiles in an accessible and impactful way.
