Raffino collection

The classic design of premium matte marble surfaces has been reinvented in this sophisticated and dynamic collection inspired by the elegance of natural stone and a refined selection of three-dimensional surfaces. Light and shadows, veining and color meld together into a new and rich series designed to add character and interest to interior designs.

Key highlights

Premium marble designs combined with elegant three dimensional patterns create sophisticated arrangements that are suitable for most interior designs. The beauty of this design is best used as a backdrop to contrast against smooth and simple elements.

Colors at a glance

The Raffino collection offers exclusive patterned designs combined with the earthy nuances of premium marbles. These neutral colors are easily adaptable to elegant design spaces.

Calacatta Dolce

Bianco Vita

Statuario Valore

Onyx Suave

Formats, patterns and finishes at a glance

A collection of matte rectified and pressed wall tiles which come in a flat surface design as well as a three three-dimensional designs, which include irregular bamboo channels, woven contours and artisanal surfaces.

The Anatolia difference
Unmatched elegance and unparalleled perfection.

Anatolia reinvents shapes and design compositions through refined color palettes, innovative graphical refinements and creative reinterpretations of traditional, cultural and trend led inspirations. Meticulous care is taken to enhance a product's formation through graphical and technical improvements at every step of the development and execution process. This leads to the most exquisite and discerning tile collections.

Technical Performance
Avant-garde design and attention to detail.

The goal of Anatolia's design department was to create the utmost elegant and sophisticated product, a perfect blend of functionality and style. New technical aspects, innovative shapes, and a new color palette were designed to represent the vibrant and lively nature of metropolitan city life, inspired by its culture and history.
