

Preservica

Microsoft 365

There's a rising tide of content to manage

83%

said the rising volume of content was a major challenge*

73%

expect volumes to rise 2 to 5 times over next 3 years*

And there is vital information we need to keep long-term

20%

of this content needs to be retained for more than 7 years*

Assured access to long-term records needed for:

FOIA

Regulatory & internal audits

Operations

Litigation

Microsoft 365 alone isn't enough. Introducing Preserve365.

Microsoft 365 is core to both the governance problem and its potential solution.

Preserve365 is an add-on to your familiar M365 compliance and discovery tools that will ensure permanent and long-term records are automatically future-proofed and always accessible.

-  Get the quality of Preservica integrated into your M365 tool
-  Minimise compliance risk with automation
-  Ensure critical information is actionable over decades
-  Easily find & use archived content from within M365
-  Maximise investment in M365 governance
-  Reduce storage costs

* "Optimising the Automated Governance Capabilities of Microsoft 365" - MER, 2022
