

# Preservica

# Upload, preserve, organize and provide access to public records - in minutes

#### Real property

Deeds, transfers, bills of sale, easements, ownership, rights of way, land use, maps

Birth, death, marriage certificates, pre-nuptial agreements, adoption records

#### Governance

Board of commissioners, ordinances, resolutions, minutes, videos of proceedings

#### Historical

Oral histories, genealogy resources, Audio Visual (AV), historical images, websites

#### **Real property**

Meet your constitutional duty to ensure authenticity and access to permanent land and property records. Preserve, quickly meet records requests and instantly view land and property records whether born-digital or the output of microfilm or paper to digital formats.

#### Vital statistics

Maintain essential citizen services by preserving and ensuring continuity of access to vital records. Preserve, quickly find and retrieve records, and protect vital records whether born-digital or imaged to digital formats.

Preservica is proud to sponsor NAGARA and their annual conference

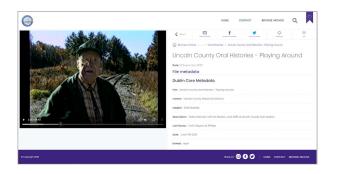

#### Governance

Demonstrate transparency of government decision making and actions. Preserve, organize and provide online access to records of Board meeting minutes, public hearing videos, and elected official correspondence and announcements.

Preservica

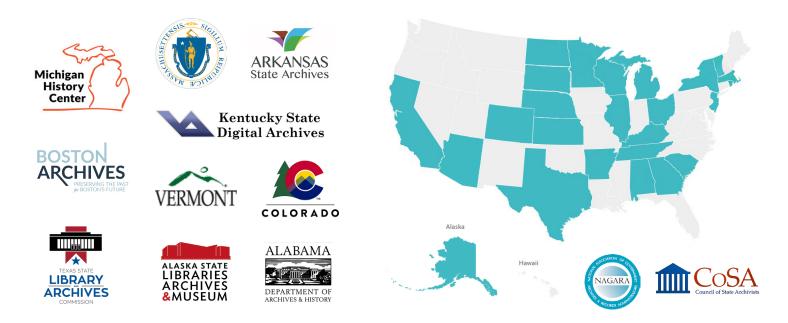

#### Historical

Maintain essential citizen services by preserving and ensuring continuity of access to vital records. Preserve, quickly find and retrieve records, and protect vital records whether born-digital or imaged to digital formats.

### **Trusted by US Government**

Preservica is trusted by government agencies and organizations to meet the highest levels of security, reliability and performance.

## Taming the Wild West of Records Preservation in M365

This session will use case studies to show how governing and preserving long-term and permanent records managed in Microsoft 365 can be seamless and automated! And can all be achieved using familiar Microsoft 365 tools.

Join us on Thursday July 14th, 1:30 - 2:45pm MDT

Keep your valuable digital files alive. Forever. Start now for free - starter.preservica.com
