Personal Message From David Tarbet, Director

What Is ‘The White Rock Fund’?

Twenty five years ago dedicated Christians created a 501-c-3 non-profit organization focused on spreading the gospel to some of the world’s most neglected places, including *the North-east United States*. God has used *The White Rock Fund* to accomplish his will!

Since 1999 hundreds of thousands of printed materials have been distributed. Thousands of lost souls, [including denominational pastors], have been baptized into Christ and are now members of the Lord’s church. Scores of congregations have been planted. Today, 75 full-time missionaries serve in at least 40 nations. All missionaries are Biblically sound.*

Trustees of **TWRF** volunteer their time and talents. The **Fund** owns no properties and does not need to budget for property insurance, maintenance or executive salaries. What is given to the **Fund** goes to mission-minded sponsoring congregations, which need help meeting their Missions Budgets.

Your prayers and generosity make a big difference in the lives of laborers whom the Lord is “*sending into the harvest field*” (Matthew 9:38).

Contributions now and for estate planning are encouraged. Questions or comments are always welcome. Contact: **The White Rock Fund, P.O. Box 180274, Dallas, TX 75218. (Tel: 214-926-2747).**

*The Fund’s *Statement of Faith* is on the website: whiterockfund.org

Commendations

“*The White Rock Fund* has been a blessing to missionaries, mission ministries and to lost people in the mission fields of our world. I recommend The White Rock Fund as a good way to help get the “whole gospel out to the whole world.”

— **Truitt Adair**
Sunset International Bible Inst.,
Lubbock, Texas

“*The White Rock Fund’s* support has made a significant contribution to evangelistic efforts in the French-speaking world for nearly 15 years. It has helped pay for radio broadcasts in four French African countries.”

-- **Barry Baggott, Director**
French World Outreach,
Nashville, Tennessee

“I had no idea this work existed. What a great idea and work. I am very proud to know that Christians put together something so simple yet so effective.”
