## welcome!

This weekend we have gathered to equip, edify, worship, fellowship, discuss, and dream about the future of the kingdom. Every presentation this weekend is focused on evangelism and church growth.

Five excellent keynote presenters remind us why telling the gospel story is such a priceless task. Six different tracks of classes, supported by thirty outstanding teachers, help us uncover the nuts and bolts of church growth.

The "Celebration of Ministry" Dinner Saturday evening at 5 pm features an encouraging message spurring us to greater passion for evangelism and ministry.

Planning for this conference began in Spring 2022. I am indebted to the committee and countless others for tremendous assistance. I am grateful to the Prestoncrest eldership who believed in this conference, graciously funding the effort. Most of all, I am thankful to our Father God, the One who makes everything possible.

Your presence this weekend blesses us more than you know. May God refresh your spirit and renew your passion to serve the kingdom all your days.
