

The 'Rugged Alternative Coast Path' runs closer to the sea than the 'main' route (Stage 1)

SOUTH WEST COAST PATH VOL 1: MINEHEAD TO ST IVES

This guidebook describes the northern section of the 630-mile (1015km) South West Coast Path National Trail. It covers the trail from Minehead to St Ives along the north Devon and Cornish coastline. This convenient and compact booklet of Ordnance Survey 1:25,000 maps shows the route, providing all of the mapping you need to walk the trail in either direction.

Contents and using this guide

This booklet of Ordnance Survey 1:25,000 Explorer maps has been designed for convenient use on the trail and includes:

- a key to map pages (pages 4–5) showing where to find the maps for each stage.
- the full and up-to-date line of the National Trail
- an extract from the OS Explorer map legend (pages 102–104).

In addition, the *South West Coast Path* guidebook describes the full route from end to end alongside all you need to know to plan a successful trip and lots of incidental information about local history, geography and wildlife.
