Final Agenda

(22 September 2023)

Objective: The purpose of the meeting is to provide an informal platform for discussion of progress that is being made using different methods, and to explore whether the RCPL is of value in helping in the evaluation of approaches designed to measure sensitising potency

Presenters: Nathalie Alépée (L’Oreal), Andy Forreryd (SenzaGen), Nicky Gilmour (Unilever), Hervé Groux (ImmunoSearch), Petra Kern (P&G), Andreas Natsch (Givaudan)

IDEA Rapporteur: Ian Kimber (IDEA SG)
