

Certificate of Approval

This is to certify that the Management System of:

Centre for Process Innovation Limited

Wilton Centre, Wilton, Redcar, TS10 4RF, United Kingdom

has been approved by Lloyd's Register to the following standards:

ISO 9001:2015

Approval number(s): ISO 9001 – 00022035

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Innovation through advanced processing for the development and commercialisation of new products, services and techniques in biotechnology, biologics, formulation and electronics including photonics.

This certificate is a continuation of a previous approval from another certification body as follows:

Previous original ISO 9001 approval on 24-NOV-2005, SGS certificate number GB05/66761

David Derrick

Area Operations Manager UK & Ireland
