State of Qatar

Admissions Policies and Procedures

Aims

Our Admissions Policy reflects the school philosophy, that is “to deliver an exceptional educational experience by engaging all of its students in an ambitious 'British International Education Programme'. The children of 'The Pearl' and its surrounding communities will benefit from highly qualified and experienced UK curriculum teachers”. We pride ourselves in being a non-selective school and our admissions process is designed to identify children who are able to benefit from our balanced and well-rounded education and within the provision available. The Admissions Policy of United International School is subject to several entrance criteria, whilst considering the latest Ministry of Education and Higher Education (MOE&HE) guidelines in Qatar.

This document sets out the policy for admissions for students to United School International, The Pearl in order to ensure that:

- all prospective parents and students are treated fairly, equally and consistently;
- the policy for admissions is clear, transparent and accessible to all staff and prospective parents;
- applicants are identified whose academic and other abilities appear to match the ethos and standards of the school, and
- whose personal qualities suggest they have the potential to contribute sufficiently to the school community and benefit from the many opportunities that are offered at United School International, The Pearl in Qatar.

Introduction

United School International is a British International School teaching the National Curriculum of England for boys and girls from ages 3 to 18 (Foundation Stage 1 (FS1) to Year 13). The curriculum forms the core of the teaching and learning experience of our students and further builds on the local context and culture of Qatar. The language of instruction is English in all classes except language lessons and Islamic Studies. We welcome students into every year, depending on availability of places and the admissions process.

Year Groups

For the 2024/25 academic school year, we have the following year groups available:

Early Years Foundation Stage - FS

- Foundation Stage 1 - age 3 on or before 30 September 2024
- Foundation Stage 2 - age 4 on or before 30 September 2024

Key Stage 1 - Years 1 and 2

- Year 1 – age 5 on or before 30 September 2024
- Year 2 – age 6 on or before 30 September 2024

Key Stage 2 - Years 3 to 6

- Year 3 – age 7 on or before 30 September 2024
- Year 4 – age 8 on or before 30 September 2024
- Year 5 – age 9 on or before 30 September 2024
- Year 6 – age 10 on or before 30 September 2024

Key Stage 3 - Years 7 to 9

- Year 7 – age 11 on or before 30 September 2024
- Year 8 – age 12 on or before 30 September 2024
- Year 9 – age 13 on or before 30 September 2024

Key Stage 4 – Year 10-11

- Year 10 – Age 14 on or before 30 September 2023
- Year 11 – Age 15 on or before 30 September 2024

Years 12 & 13 will open in the 4th & 5th years of operation.

Key Stage 4 – Year 11

- Year 11 – age 15 on or before 30 September 2024 (students must have completed Year 10 at United School International to register in Year 11).

Key Stage 5 - Years 12 to 13

- Year 12 – age 16 on or before 30 September 2025
- Year 13 – age 17 on or before 30 September 2026 (students must have completed Year 12 at United School International to register for Year 13)

Transition

Students enrolled in United School International are predicted to advance to the next year group at the end of each academic school year. To advance from KS4 (Year 11) to KS5 (Year 12), students must attain the minimum required pass rate; these will be explained in our Sixth Form Prospectus guide, once published. All students in United School International will be developed in the academic environment within all levels where we have the resources to meet the students' needs.

Students who are not achieving the expected criteria, may be offered additional learning support targeted at the area(s) that are causing the most difficulty. Parents will be informed in advance if there is a chance that their child may not meet the standard entry requirement into the next key stage.

Admissions Policy

The aim of the Admissions Policy is to admit students who will develop in the academic environment that the school provides and take full advantage of the opportunities available. Any parent within 'The Pearl' and surrounding communities can apply, provided that they agree to take a full and active part in supporting their child's education at United School International and that the child is permanently living in Qatar with them.

The Admissions Policy is determined by the school management and administered by the Admissions Department

The school management decision on admissions matters is final. The school is not obliged to state its reasons for rejection of a candidate.

The admissions process is made up of the following stages: application, assessment, acceptance and registration.

The following criteria are considered when applications are received, however, no place is guaranteed until final assessments and all admission requirements have been met. Children who have successfully completed the application procedure, but are unable to join the school due to limited availability, will be offered a place on the waiting list with priority given to:

1. Siblings of current students.
2. Families applying for more than one child.
3. Families who applied for the previous school year but were not able to gain a place due to lack of availability.
4. Meets the appropriate age and year requirements as per the Ministry of Education and Higher Education's policy;
5. Academic ability that will afford access to the curriculum that is delivered;
6. Previous school reports or assessments;
7. Predicted GCSE grades for entry into Year 12;
8. Outcome of baseline assessments. The applicant should be able to access our curriculum and this process assists in providing relevant information;
9. It is a requirement for entry that children are able to communicate in English at a level that is appropriate to their age and development ; and
10. Availability of places in the year group.

a) Sibling Status

Admissions will open early each year for the children of parents that have siblings in the school. The deadline for these applications for the 2024-25 academic year was 16th November 2023. Applications received after this date will follow the general application process that will open in January of each year.

b) Applications received

Applications received with all the required documents, will be processed before any others. The Admissions Office will process these according to date received.

c) Age of child

In order to comply with the MOE&HE regulations, children will not normally be admitted to a year group that does not correspond to their age, but will be admitted to the year group following on from the last academic year that they have just completed.

Only in exceptional circumstances will the Executive Principal agree to assess a child in a Year Group either above or below their actual age. This assessment will then need to be approved by the MOE&HE.

We will assist you throughout this process (if and when necessary). If the assessment and change in year group is agreed by the MOE&HE, parents must undertake to sign an indemnity with the school. It is rare for the MOE&HE to accept a child that is younger than their year group. Parents seeking a place for a child who has not previously been educated in the National Curriculum for England, should refer to the attached year group Equivalency chart Appendix 1 and 2, so that they understand which year group is appropriate for their child.

d) Previous school reports

All applications must be accompanied by the following school report requirements:

FS1, FS2, Year 1– A nursery or Early Years Foundation Certificate (or equivalent) is required for children who have attended school.

Year 2 – The previous year's report is required if your child has only attended school for one year, or two year's school reports are required, if your child has attended the last two years of school.

Years 3 to 10 – The previous two years' school reports are required.

Year 12 – The previous two years school reports and predicted GCSE grades if moving from a British Curriculum school.

If a student is applying to join the school from outside of Qatar, the MOE requires report cards to be attested (**signed and stamped**) as follows:

- Student's current school;
- Ministry of Foreign Affairs in the country of origin: The Embassy of Qatar in the country of origin;
- Ministry of Foreign Affairs in Qatar (MOFA).

The MOE may reject a student's application if the report cards are not attested.

e) Assessments

It is our policy to assess children who are applying for a place in the school by evaluating their school reports, sitting a baseline assessment test, as well as by having conversations with and disclosures by parents with regards to their child's development and academic progress and history. The school operates an inclusive approach, however, students may be asked to take diagnostic assessments or to have a short interview to assess the extent or nature of any additional English language or learning support that may be required.

- Baseline Assessment Tests will be set according to the availability of the required staff at a specific date and time agreed on. The Admissions Office will communicate the date and specific time to parents.
- A report from the student's current school or nursery will be required and should be submitted as part of the registration process.
- Students applying to join Year 10 or Year 12 will be expected to be interviewed by the Head of Secondary and Head of KS4 or KS5 and to discuss subject choices.
- Students applying to join Year 12 from a British curriculum school will be expected to provide their predicted GCSE grades.

Parent Interviews

The Executive Principal, Head of Primary, Head of Secondary or Head of Inclusion may request to meet parents following the assessment stage to discuss their child's report, any Special Educational Needs and/or the role that parents will be expected to take in supporting their child's education. At United School International we expect all our parents to take an interest and active role in their child's education.

This is also an opportunity for parents to ask the Executive Principal any questions they may have about the school.

f) The ability to communicate effectively in English

If a child is not proficient in English, depending on age this may result in him/her being refused a place in our school.

Each student will be assessed on a case-by-case basis and specific English or language assessments will be carried out to determine whether the school is suitable for your child to attend. This is specifically in cases where a student is applying to join the secondary school and may not be able to access the curriculum and manage the external examinations, which will be detrimental to their development.

g) Availability of places

If a child meets the criteria to gain entrance to the school but the relevant year group is full at that time, he or she will be placed on the waiting list. Places in the school are then granted as they become available, at the discretion of the Executive Principal, based on the criteria under Point 5 above, but **not** on a first come, first served basis. Whilst we cannot give a guaranteed place to children who have a brother or sister at the school, we will look favourably at sibling applications that meet the academic and other standards required for entry into the school.

Please note: Open places are **not** offered on a 'first come – first served basis', but according to the admissions criteria stipulated in Point 5 above.

Class Sizes

Our class sizes are:

EYFS: 20 students

Primary and Secondary: 25 students

There may be times when class sizes are increased by a small number during the school year to accommodate siblings.

Other Admissions Requirements

a) Clearance / Transfer Letter – Qatar schools only

Students transferring from another school in Qatar to United School International are required to provide a Clearance/Transfer Letter from the previous school. To acquire this letter, please ask us to supply you with an Offer Letter to United School International.

The previous school will then issue the Clearance Letter - the following information must appear on it:

- Student's name
- Qatar ID Number
- Student's Date of Birth
- Date started at the previous school
- Date completed at the previous school
- Last year/grade completed
- School fees paid
- Special educational needs and/or disabilities (SEND)

b) Special Educational Needs and Disability (SEND)

In order to meet the standards expected of BSO (British Schools Overseas) the school has regard for the guidelines as outlined in the revision to the UK SEND Code of Practice 2015, the UK Equality Act 2010 and the UK Childcare Act of 2006.

United School International adopts an inclusive policy and students with SEND are offered the opportunity to join the school providing they satisfy the school's selection criteria; and we possess the facilities and expertise to meet their needs. Due to the limitation of our facilities and our expertise we cannot cater for all needs, especially those of a complex nature.

The school expects parents to inform us, prior to the assessments, if their child has any SEND requirements. Please advise us the results of any assessments which may have been carried out in order that appropriate arrangements may be made.

Parents may be asked to contribute to any special resources required for their child to successfully access the curriculum. Students with SEND will be expected to fully partake in all aspects of the curriculum and be fully integrated into the school. Exceptional circumstances which may affect such access will be dealt with on an individual basis in consultation with the Executive Principal and relevant staff.

The school will have to obtain special approval from the MOE&HE for a programme if it differs substantially from the agreed education plan for the school. Children with more than moderate learning or behavioural needs may be admitted to the school with the relevant support provided by parents, only at the discretion of the Executive Principal. Parents will be expected to meet the costs of any extra one-to-one learning support / shadow teacher required for their child.

Other Learning Difficulties

Parents are asked to send in a copy of the most up to date psychologist's report before meeting with the Executive Principal and Admissions Manager.

Please note failure to disclose a learning difficulty or other special need may result in your child's place being withdrawn at any stage.

Admissions Rejection and/ or Exclusions

United School International in Qatar reserves the right to reject / exclude students whose learning requirements we are unable to meet. This may be an existing or newly identified learning need and our right to exclude is regardless of any assessments carried out at the admissions stage. If we are unable to support or meet the needs of your child, then it would not be in their interest to remain at United School International.

Good behaviour and discipline are key foundations for good education and at United School International we follow a strict behaviour policy. Without a happy and orderly atmosphere effective teaching cannot take place. Students whose behaviour is considered unacceptable may also be excluded.

All children must be toilet trained before they can be admitted to United School International. If a child is not, and a parent marks that they are, these children will be sent home until they can go to the toilet without assistance.

It is the school policy to teach children according to the National Curriculum of England, this includes teaching subjects such as music, PE and swimming. All children are expected to participate in all curriculum subjects and activities which may include school plays, excursions to the theatre or other such events, as well as sporting events and swimming galas. If for any reason your child cannot participate in any of these activities, reasons must be given in writing to the school before being admitted. Children may be excluded from attending United School International if they cannot participate in all curriculum subjects.

Documents Required

The following documents are required to complete the admissions process:

- Completed online Admissions Application Form;
- Passport copies for father, mother and child;
- Child's birth certificate;
- Child's Vaccination / Immunization Record;
- Child's previous school reports*;
- Predicted GCSE grades for students moving from a British Curriculum school, applying for Year 12;
- Qatar ID/Passport for father, mother and child for Qatari citizens only;
- Qatar Residence Permit for Father, Mother and child
- Clearance Letter from previous school if moving from one school to another in Qatar;

- Health Record from local Qatar Medical Centre – once resident in Qatar. Please ask admissions for further details.

***Please note:** as per information under Point 5D

Leaving / Withdrawals

Parents should inform United School International in writing of their intention to withdraw their child from the school. Failure to provide this may result in a penalty fee being imposed.

You are required to complete a Withdrawal Form, so that we can make the necessary arrangements and inform the MOE&HE in Qatar. Contractual obligations will be overseen by our Finance Office. Reports, Clearance Letters and Transfer Certificates will not be released until all outstanding fees have been settled and books returned.

Fees in the Event of Withdrawal

If your child has been enrolled at USI for 30 school days or over, the full terms fees will be retained; if your child has been enrolled at school for fewer than 30 school days, the tuition fees will be pro-rated for the number of school days that your child was enrolled with USI, regardless of their attendance record.

The registration fee of QAR 2,500 is non-refundable. However, in the event that you re-enroll your child for the following academic year, the registration fee will not need to be paid again.

Fees

The fees include the cost of most stationery and textbooks, games and school societies.

The fees exclude certain items, including, but not restricted to:

- school uniforms
- bus transportation
- educational trips
- extra special needs requirements
- external suppliers of after school activities
- Bring your own Device to School (BYOD)
- IGCSE and A Level/BTEC examination fees
- before and after school care
- one-to-one learning support / shadow teacher

The school fees have been set and agreed by the MOE&HE and are reviewed by them annually.

Tuition fees are invoiced on a termly basis – 40% in Term 1, 30% in Term 2 and 30% in Term 3.

Policy on Equal Treatment

As a school delivering the National Curriculum of England, English is the language of communication at the school and in all academic lessons, except during Arabic language (MOE – regional Arabic students only), Modern Foreign Language (MFL) and Islamic Study lessons.

United School International encourages all its students to respect and serve other people regardless of ethnic origin, culture, gender, linguistic background, special educational needs, religion or disability. The school does not support any form of prejudice or denial of equal opportunity in these areas.

Those in a position of responsibility will seek to ensure that all students at the school benefit equally from its provision. To this end, the school is committed to an Admissions Policy, which makes no discrimination on the grounds of ethnic origin, disability or religion.

United School International is committed to:

- The promotion of a culture within the school which actively discourages discrimination on the grounds of ethnic origin, gender, disability or religion;
- Providing a curriculum which emphasizes positive aspects of, and contributions to, a healthy and tolerant lifestyle regardless of culture or gender;
- Ensuring that disabled members of the school community are not unreasonably disadvantaged, within the constraints of existing buildings and location;

Our admissions team are here to help guide you through the various stages of the admissions process and to ensure that the whole process is as smooth as possible.

Admissions Open

We are currently accepting applications for the 2024/25 academic year for children between the ages of 3 and 15 (National Curriculum of England: Foundation Stage 1 & 2, and Years 1 to 10).

We are an inclusive school, but operate a selective admissions policy, based upon the identification of students whose academic and other abilities appear to match the ethos and standards of the School. Our language of learning is English.

Whilst United School International in Qatar is considered an academic school, we also look for personal qualities which suggest a child has the potential to contribute sufficiently to the school community and benefit from the many opportunities that are offered at the school.

The Admissions procedure is made up of the following stages:

- Application
- Assessment
- Acceptance and Registration

Application Process

Once you have decided that United School International is the best choice for your child, the next step is to apply by submitting an Online Admissions Application Form to us. This can be found on our website.

When applying please make sure you have all the relevant documents available to upload:

- A copy of your Qatari ID/s (father, mother and child – for Qatari Citizens only), we may require sight of the original;
- A copy of your Passport/s (father, mother and child) showing the page with the photograph, we may require sight of the original;
- A copy of your valid Residency Permit/s (father, mother and child - for all non-Qatari applicants);
- A copy of your child's birth certificate, we may require sight of the original;
- One recent passport sized photograph of your child;
- Report Cards
- The latest Nursery Report or Early Years Foundation Certificate for Foundation Stage 1, 2 and Year 1 students (if available).
- School reports are required:
 - Year 2: either one or two if you have for FS2 and Year 1 then provide both
 - Years 3 and above will require two reports.
 - Predicted GCSE results for those moving from a British Curriculum applying for Year 12.
- **All school reports must be translated into English.**
- **Students moving to Qatar must have all their report cards attested as per the requirements in our Admissions Policy Documents Required Section;**
 - A clearance letter if transferring from another school in Qatar to United School International;
 - A copy of your child's vaccination record compliant with the national vaccination programme in Qatar (to be approved by a Health Centre in Qatar), we may require sight of the original;
 - The final health assessment certificate and health file from your local Medical / Health Centre in Qatar – for all new students to Qatar;
 - Non-refundable registration fee of QAR 2,500

By submitting the Application Form and fee, you are not automatically guaranteed a place at United School International.

All documents must be translated into English.

1. Assessments

Once you have submitted your Application Form and Fee, your child will need to sit a Baseline Assessment Test online - we will then review the documentation as follows:

- Review of school reports
- Review of Baseline Assessment Test

- Review any special needs requirements
- Parent/s and student meet with the Executive Principal or senior member of faculty if required
- Our Admissions Department will contact you with availability;

An Offer Letter will be sent to you to accept the registration of your child to the school. You will need to return this to the Admissions Office. You will also receive an invoice for the non-refundable Registration Fee payment of QAR 2,500 by the deadline set out in the invoice. **If you miss this deadline without consultation with the Admissions Office, the offer will be withdrawn.**

2. Acceptance and Registration

The school will register students on behalf of parents from September to mid / end October 2023, while the MOE&HE online system is open.

After the MOE registration closing date, parents will be required to provide the following documentation to the admissions team to finalise registration:

- A MOE registration form which will be provided to you by the admissions team;
- A copy of the stamp of entry to Qatar in your child's passport

The admissions MOE Liaison will then manually register your child with the Ministry of Education and Higher Education.

Please note: A student cannot be registered with the MOE if the correct documentation is not supplied, e.g. Attested report cards, QID, MOE registration form, copy of stamp of entry into Qatar, etc.

3. Transferring schools in Qatar

If you are transferring between schools in Qatar, a parent requires a Vacancy letter from United School International, this must be taken to the school you are transferring from and they will provide a Clearance Letter. This letter must be handed to the admissions office and the previous school will then transfer your child on the MOE&HE online system from their school to ours.

4. Finalising admissions

Once the admissions process is complete, the Admissions Department will contact you to agree a start date and will send you further relevant information that should answer all the questions that you may have regarding joining our school, including uniform, transportation, drop-off and pick-up times, our canteen, lunch and snacks, our school day and school policies and rules.

Our admissions team are here to help guide you through the various stages of the admissions process and to ensure that the admission of your child to our schools is as smooth as possible.

Waiting Lists

If a year group is full, we will start a waiting list of students whose parents have submitted applications and informed us that they wish to be on the waiting list. Priority will be given first to parents with children already attending USI, followed by families applying for more than one child, followed by families who had applied for the previous school year and then transferred their applications to the following year due to lack of availability.
