Plain coloured fabrics  
to choose from!

# How many colours to choose from?!!

The human eye can physically perceive millions of colours, but we don't all see them the same way, with over 150 colours to choose from, you'll be sure to find one to suit.

Plains are always a winner in interiors, and with a huge selection of colours on offer, we're positive you won't be disappointed!

Streamlined and unfussy, **Oasis** is a soft, silky style fabric.

Or why not be a superstar stylist in your own home with **Glamour**! A rich, sumptuous velvet fabric, giving your home a feeling of grandeur. Available as curtain only.

The **Hart** range is a soft style linen look fabric which provides a rustic flair.

**Lima** has a soft subtle woven look in a selection of neutral and pastel colours.

# Talented Textures

Textured plains can add a sense of interest without having to commit to an overwhelming print.

The **Komodo** range has been designed as a dotted raised texture in a wide selection of on trend colours!

**Rattan** is an affluently styled woven design, developed to be sturdy and robust.

**Macy** is a subtle, small scale chevron textured design.

If a rich velvet look is what you're after **Reign** is the fabric for you. It differs from Glamour due to its subtle, randomised pattern. Available as curtain only.

Opulence, elegance and luxury perfectly describe **Phoenix**, due to its silky, expensive looking nature.

Bring industrial chic with **Artisan**, an abstract linen look fabric.
