display, modify and create derivative works of Client Data for the express purpose of providing the Humanity Services. Client acknowledges and agrees that it will determine the means and purposes of processing Client Data, and that Humanity acts solely as a service provider that processes Client Data on behalf of and at the direction of Client for the sole purpose of performing the Humanity Services under the Agreement. Client is responsible for ensuring that all Designated Users who provide instructions to Humanity on Client's behalf are authorized to do so. 2. The Parties shall implement administrative, technical and physical security procedures consistent with industry standards and applicable data protection laws to protect Client Data from unauthorized access, including by adopting access policies that prevent the internal sharing or inadvertent communication of login credentials.
 3. Client is responsible for reviewing the information made available by Humanity relating to data security and making an independent determination as to whether the Humanity Services meet Client's requirements and obligations under applicable data protection laws. Client acknowledges that data security measures taken by Humanity are subject to technical progress and development and Humanity may update or modify such security measures from time to time, provided that such updates and modifications do not result in the degradation of the overall security of the Humanity Services.
2. Security Breach Notifications. Humanity will promptly report to Client any unauthorized access to Client Data within Humanity's or its Subprocessors' systems upon discovery and in accordance with applicable data breach notification laws. Humanity will use diligent efforts to promptly remedy any breach of security that permitted such unauthorized access. Humanity's notification of or response to any security incident under this Section 4.2 shall not be construed as an acknowledgment by Humanity of any fault or liability with respect to such security incident.
 3. Data Backup and Retention. Humanity shall undertake commercially reasonable efforts to backup Client Data with a restore point objective of twenty-four (24) hours. Client

Data shall be backed up and retained in accordance with Humanity's retention policy as set forth in the Global Data Privacy Policy.

2. **Biometric Data.** To the extent that Client collects, captures, stores, or otherwise uses Biometric Data relating to an individual, Client must (i) first inform the individual from whom Biometric Data will be collected, in writing and prior to collecting his or her Biometric Data, that Biometric Data is being collected, stored, and/or used; (ii) indicate, in writing, the specific purpose(s) (which may not be other than employment-related purposes) and length of time for which Biometric Data is being collected, stored, and/or used; and (iii) receive a written release from the individual (or his or her legally authorized representative) authorizing the Client, Humanity, and Humanity's third-party service providers (who are subject to restrictions no less restrictive than those imposed on Humanity herein) to collect, store, and/or use the Biometric Data and authorizing the Client to disclose such Biometric Data to Humanity and Humanity's third-party service providers.
3. **Requests.** Client agrees to adopt a commercially reasonable policy for managing data requests from Designated Users and Employees, which policy shall safeguard the rights of such data subjects and respect the original purpose of such data collection. Client, as the Party who determines the means and purposes for processing

Client Data, shall be responsible for receiving, investigating, documenting, and responding to all Designated User and Employee requests for inspection or erasure of Personal Data.

4. Assistance. If Client receives a request from a Designated User or Employee to exercise such individual's rights under applicable data protection laws, and Client requires Humanity's assistance to respond to such request in accordance with applicable data protection laws, Humanity shall assist the Client by providing any necessary information and documentation that is under Humanity's control. Humanity shall be given reasonable time to assist the Client with such requests in accordance with applicable law.
5. Privacy Policy. Where required by law, Client agrees to adopt a privacy policy in alignment with the Agreement and all applicable laws governing the collection, use, transfer and retention of Personal Data. Client agrees to provide Humanity, upon reasonable request, Client's adopted privacy policy.

6. Access to Third Party Platforms.

1. Client may require the Humanity Services to interoperate with platforms or other online services operated by third parties ("Third-Party Platforms") pursuant to an agreement between Humanity and the operators of such Third-Party Platforms, an agreement between Client and the operators of such Third-Party Platforms, or through application programming interfaces ("APIs") or other means of interoperability which are generally made available by such operators.
2. Client hereby grants Humanity the limited right to access such Third-Party Platforms with Client's credentials and on

behalf of the Client in connection with the performance of the Humanity Services. Client acknowledges and agrees that Humanity's agreements with the operators of such Third-Party Platforms and the terms governing the use of APIs may be modified, suspended or terminated at any time, and Humanity shall have no liability with respect to any such modification, suspension or termination. Client is responsible for ensuring that its use of the Humanity Services in connection with any Third-Party Platform, and Humanity's access to such Third-Party Platforms on Client's behalf, complies with all agreements and terms applicable to such Third-Party Platform.

7. Confidentiality.

1. Humanity will not access or use, or disclose to any third party (except to Subprocessors in accordance with Section 3), Client Data, except, in each case, as necessary to maintain or provide the Humanity Services, or as necessary to comply with applicable law or a subpoena or inquiry issued by a court of competent jurisdiction or by a judicial or administrative agency or legislative body or committee (a "Governmental Entity"). If Humanity is requested to disclose all or any part of any Client Data under a subpoena or inquiry issued by a Governmental Entity, Humanity shall (i) immediately notify Client of the existence, terms and circumstances surrounding such request; (ii) consult with Client on the advisability of taking legally available steps to resist or narrow such request and cooperate with Client on any such steps it considers advisable; and (iii) if disclosure of the Client Data is required or deemed advisable, exercise its best efforts to obtain an order, stipulation or other reasonably acceptable assurance that the Client Data or part thereof required to

be disclosed shall retain its confidentiality and remain otherwise subject to the Agreement.

8. Term; Termination.

1. This DPA shall continue in force until the termination of the Agreement. Upon any termination or expiration of the Agreement, Humanity will permanently delete any and all copies of Client Data created, processed and/or stored pursuant to this Agreement, subject to the terms of the Agreement.

9. Client Representations and Warranties.

1. Client represents and warrants that the performance of Client's obligations and use of the Humanity Services by Client, its Designated Users and Employees will not violate any applicable laws, including all applicable domestic and international data protection laws, or cause a breach of duty to any third party, including Employees.
2. Client represents and warrants that all Personal Data included in the Client Data has been collected from all Employees and Designated Users and will be transferred to Humanity in accordance with all applicable data protection laws, including, but not limited to, the EU General Data Protection Regulation 2016/679 and the Illinois Biometric Information Privacy Act, to the extent applicable. Client acknowledges and agrees that (i) Humanity is a service provider and processes Client Data solely on behalf of and at the direction of Client, and exercises no control whatsoever over the content of the Client Data passing through the Humanity Services or that is otherwise transferred by Client to Humanity, and (ii) it is the sole responsibility of Client to ensure that the Client Data passing through the Humanity Services or that is otherwise transferred by Client to Humanity complies with all

applicable laws and regulations, whether now in existence or hereafter enacted and in force.

3. In the event of any breach of any of the foregoing representations or warranties in this Section 9, in addition to any other remedies available at law or in equity, Humanity will have the right to suspend immediately any Humanity Services if deemed reasonably necessary by Humanity to prevent any harm to Humanity and its business. Humanity will provide notice to Client and an opportunity to cure, if practicable, depending on the nature of the breach. Once cured, Humanity will promptly restore the Humanity Services.

10. **Humanity Representations and Warranties.**

1. Humanity represents and warrants that the performance of its obligations and delivery of the Humanity Services to Client will not violate any applicable laws or regulations of the United States or cause a breach of any agreements between Humanity and any third parties.

11. **Mutual Representations and Warranties.**

1. Each Party represents and warrants that it has implemented a comprehensive written information security program that includes appropriate administrative, technical and physical safeguards to: (i) ensure the safety and confidentiality of Personal Data; (ii) protect against unauthorized access to and use of Personal Data; (iii) protect against anticipated threats or hazards to the security or integrity of Personal Data, and (iv) comply with all applicable data protection laws.

12. **Indemnification.**

1. Client hereby acknowledges and agrees that Humanity may not be aware of all rights available to Client's Designated Users or Employees under all data protection

regimes. To the extent permitted by applicable law, Client shall indemnify, defend and hold harmless Humanity, its Affiliates, Subprocessors, officers, managers, directors, employees, agents, advisors and other representatives (the “Humanity Indemnitees”) from and against any lawsuit, liability, loss, cost or expense (including reasonable attorneys’ fees) actually incurred or suffered by Humanity Indemnitees of every kind and nature to the extent caused by or resulting from (i) any breach of a representation or warranty made by Client under this Agreement; or (ii) a third-party claim made against a Humanity Indemnitee arising from or related to Client’s failure to comply with any applicable domestic or foreign data protection laws or regulations. Client shall have the right to control any defense provided pursuant to this Section 12, provided, however, that Client shall not, without Humanity’s prior written consent, (A) enter into any settlement or compromise or consent to the entry of any judgment that does not include the delivery by the claimant or plaintiff to the applicable Humanity Indemnitee of a written release from all liability in respect of such third-party claim, or (B) enter into any settlement or compromise with respect to any third-party claim that may adversely affect the applicable Humanity Indemnitee other than as a result of money damages or other monetary payments that are indemnified hereunder.

13. Limitation of Liability.

1. Except for claims arising out of Section 7 (Confidentiality), in no event shall Humanity’s aggregate liability, if any, including liability arising out of contract, negligence, strict liability in tort or warranty, or otherwise, exceed the sum of

amounts paid by Client to Humanity during the six (6) months immediately prior to the date of the claim.

14. **Entire Agreement;**

1. Conflict. Except as amended by this DPA, the Agreement will remain in full force and effect. If there is a conflict between this DPA and any other agreement between the Parties (including the Agreement, but excluding the Global Data Privacy Policy), the terms of this DPA will control. If there is a conflict between the Global Data Privacy Policy and any other agreement between the Parties (including this DPA and the Agreement), the Global Data Privacy Policy will control.
