

Once you enter the main entrance. Make a right at the double doors before entering the cafeteria/ramp area.

Follow the signs on the wall down that hallway until you reach another set of double doors.

Make a left once you approach the double doors at the end of the hallway.

This staircase you run into will lead you directly to the elementary gym.

We will NO longer exit the double the doors going through the cafeteria.

To exit the gym you will use the same staircase you used to enter the gym & out the front doors.
