Program Overview

The Restore Louisiana Homeowner Assistance Program is dedicated to helping homeowners affected by the March and/or August 2016 floods repair and restore their damaged homes, or get reimbursed for work already completed. The funding for The Restore Louisiana Homeowner Assistance Program is allocated out of the Department of Housing and Urban Development's (HUD) Community Development Block Grant Disaster Recovery (CDBG-DR) Program. There is currently \$1.3 billion available for this program.

The Restore Louisiana Homeowner Assistance Program has been designed to serve homeowners in six phases. The State of Louisiana's Office of Community Development – Disaster Recovery Unit (OCD-DRU) structured the program in this manner in order to ensure that the limited federal funding is provided to homeowners in the greatest need. It also ensures that the rebuilding process is not slowed by federal environmental requirements.

The first step in the process is a brief survey that all homeowners affected by the 2016 floods must complete. The purpose of this survey is to gather information about unmet needs related to the repair or reconstruction of flooded homes and responses to the survey will be used to determine which phase of the program the homeowner will be invited to apply for.

ALL PHASES						
Must have major/severe home da	Must have major/severe home damage.					
PHASE I	PHASE II	PHASE III				
 Low-to-moderate income* Elderly or persons with disabilities Outside the floodplain 	 Low-to-moderate income* Elderly or persons with disabilities Inside the floodplain 	 Reside within one of the 10 most impacted or distressed parishes Outside the floodplain No priority due to income 				
PHASE IV	PHASE V	PHASE VI				
 Reside within one of the 10 most impacted or distressed parishes Inside the floodplain No priority due to income 	 All other disaster-declared parishes Inside and outside the floodplain No priority due to income 	 Reimbursement for homeowners who do not qualify under Phases I or II, who have completed the rebuilding process at the time they complete the application No priority due to income 				

Below is a brief explanation of the six phases that are currently funded.

* Household income is at or below 80% of an area's median income.

In addition, in order to be eligible for the Program, homeowners must meet all of the eligibility criteria listed below:

- Owner occupant at time of disaster event
- Damaged address was the applicant's primary residence at the time of disaster event
- Suffered damage as a result of the March or August 2016 Severe Storms and Flooding events
- Eligible structure as determined by program, including single family homes, duplexes, mobile homes and condominiums
- Located in one of 51 disaster declared parishes

For homeowners that do qualify and are eligible for assistance, they can choose one of three solutions based on their progress in the rebuilding process and their capacity to complete the work.

Solution 1 PROGRAM MANAGED

- Program manages and completes construction process
- Homeowners do not select contractors or deal directly with the contractor
- The program's contractors will repair or reconstruct damaged properties
- Economy-grade materials/finishes only

Solution 2 HOMEOWNER MANAGED

- Homeowners manage repair
 or reconstruction work
- Homeowners select contractors and deal directly with the contractor
- Program provides advisory services and monitoring
- Program provides assistance for economy-grade finishes only, but homeowners are allowed to pay the difference for higher grade materials/finishes

Solution 3 REIMBURSEMENT

 Homeowners who have completed partial or full repairs before applying to the assistance program may qualify for reimbursement of eligible expenses incurred before the application process or by December 31, 2018, whichever is sooner.

Below is an overview of the homeowner journey in the program, from initial survey to reimbursement and/or repair.

TAKE THE SURVEY

The deadline to complete an initial program survey, which was the required first step in requesting assistance from the program, was October 19, 2018. Homeowners who submitted a survey and qualified for one of the six phases were invited to continue in the program.

ELIGIBILITY REVIEW

The Program will review the homeowner's application and supporting documentation to ensure that the information provided confirms that the homeowner meets the eligibility requirements for the program.

SIGN GRANT AWARD

Once a homeowner accepts their award, a program representative will reach out to discuss next steps which will depend on which solution is selected.

ENVIRONMENTAL REVIEW RECORD

The federally-required environmental review is the process of reviewing a project and its potential environmental impact to determine whether it meets federal, state, and local environmental standards. Reviews were conducted without appointment and from the road or right-of-way.

DAMAGE AND LEAD ASSESSMENT

During this scheduled appointment, inspectors will utilize industry-standard software to inspect the home, document completed work, and determine a scope of work for remaining repairs. Homes constructed before 1978 will receive a lead-based paint inspection. At least one homeowner must be present for all inspections.

REIMBURSEMENT/ REPAIR

Once the grant award is signed, if a homeowner is eligible for reimbursement, funding will be requested and a check will be mailed within 3-4 weeks. Funding for repairs will be disbursed in accordance with the signed grant award.

COMPLETE THE FORMAL APPLICATION

Qualified homeowners were invited to complete the formal application. The deadline to complete an application for assistance through the Restore Louisiana Homeowner Assistance program was November 16, 2018.

Once eligibility has been determined, the homeowner will receive a grant award. The homeowner may request to speak to a case manager, accept the award, or appeal the award.

APPENDIX D

In 2016, after Gov. John Bel Edwards sought federal flood recovery funding for Louisiana, Congress provided three appropriations of Community Development Block Grant-Disaster Recovery funds for nationwide recovery from several disasters. These funds were allocated by the U.S. Department of Housing and Urban Development to various states. HUD allocated \$437.8 million from the first appropriation, \$1.2 billion from the second appropriation and \$51 million from the third appropriation to Louisiana. Below is a summary of the funding requested, appropriated, and allocation across Restore Louisiana programs.
