Julianne Moore:

Selected Work

April 8 – May 31

Known for subtle yet intense performances, Julianne Moore has forged a singular career through nuanced portrayals of enigmatic characters with deep internal struggles.

Our tribute spans her remarkable screen career, from scene-stealing supporting roles to stand-up-and-take-noice leading turns.

Revisit them this April and May – and be sure to join us on April 24 at the Holland Performing Arts Center, when Julianne Moore joins fellow Oscar winner Alexander Payne for Film Streams' Feature VII. Proceeds from the event support our day-to-day operations.
