<b>Basic Hours:</b>	Up to 36 hours per week – flexible working and job share options available  Principal location: West London Waste Authority – Unit 6, The Green, West Drayton, UB7 7PN

### Duties & Responsibilities

1. To project manage and co-ordinate multiple complex waste and recycling projects including making recommendations to the Strategic Development Lead/Senior Leadership team and ensuring that all changes to service provision and all associated activities are understood by the relevant stakeholders.
2. To source, engage and manage the internal and external professional advisory teams covering areas such as planning, permitting, financial, legal and construction.
3. To create and maintain the project risk registers and report monthly to the Strategic Development Lead.
4. To create and maintain a lesson's learned log for each project and report monthly to the Strategic Development Lead.
5. To create and maintain the project plans and the waste flow plan for West London Waste.

6. To assist the Strategic Development Lead with the creation and maintenance of a project program which integrates all of the projects, waste flows and commercial understanding, reporting monthly to the Senior Management team.
7. To make recommendations to the Senior Leadership team on operational and commercial improvements in the business, gain approval and project manage changes accordingly.
8. To work with Finance Manager, Strategic Development Lead and Operations Manager to develop robust outline business cases for projects and service changes and negotiate changes and impacts with the relevant stakeholders through the Borough Partnership meetings and prepare reports for Senior Leaders and the Authority meetings.
9. Produce progress reports for the Strategic Development Lead including a verbal briefing if required. The reports will be presented by the Strategic Development Lead to West London Waste's Project Board, Chief officers and Authority meetings as appropriate.
10. To organise and manage the Project Board meetings including minutes and actions arising.
11. To manage and co-ordinate the response to all project actions and to maintain an Actions Log coordinating the activities of Borough Partners involved in the projects.
12. To monitor and manage the budget spend on projects and report on a monthly basis to the Strategic Development Lead
13. To provide updates to the Senior Leadership Team from constituent borough Cabinet Reports and Overview and Scrutiny Committee on a bi-monthly basis.
14. To liaise with the constituent boroughs and external bodies such as Defra, GLA and other Waste Disposal Authorities on the projects.
15. Where necessary to assist the Operations Manager and represent the Projects Team at the Authority meetings in the absence of the Strategic Development Lead.
16. Support the Strategic Development Lead to deliver projects in the following business areas: Data, Waste Minimisation, Collection Project, HRRCs, Procurements and Recyclable Processing.
17. To undertake other duties as required.
