## Base Layer

### Feature Details

#### Crew Neck

Our crew neck design sits comfortably along the collarbone to deliver improved protection and warmth against the winter elements outdoors.

#### Thumb Loop

Thumb loops keep your sleeves in place whilst working. This not only improves comfort but protects your garment layering in high-risk environments.

#### Superior Comfort

Ultra lightweight Bear Soft Weave fabric delivers complete freedom of movement and unrestricted flexibility to maximise task performance.

#### FireBear Branding

Proudly wearing the FireBear logo not only exudes a level of corporate professionalism, but also acts as a symbol of enhanced safety in the workplace.
