

About the job

We're looking for an Import Export Logistics Specialist to join our office-based Cruise team

- Job title: Import Export Logistics Specialist
- Contract type: Permanent
- Hours: 40 hours per week
- Location: Poole
- Holiday: 30 days paid (inc. bank holidays)

What you will be doing

- Review of stock in transit and expediting shortages as necessary to achieve 100% OTIF.
- Administration of depot transfers and replenishments – Pos, Sos, pick slips, DGN notes, import export commercial invoices management.
- Optimise distribution network balancing total cost of delivering from manufacturer direct to ship with local depots and/or local manufacturing supporting multiple ships, benchmarking service providers and commodity prices.
- Plan and deliver stock levels at local and remote depots leading to high service levels.
- Optimise product range and introduce and launch new products.
- Identify opportunities in the distribution network.
- Selection, onboarding and management of 3PL and 4PL partners.
- Ensure availability of assets, consumables and spare parts to install and maintain customer ships.

Who we are

We're a fast-paced, forward-thinking global solutions provider who is redefining operational excellence for businesses. We're famous for our fantastic customer service and for creating comprehensive solutions that help our customers stay ahead in an ever-changing world.

Where you work

Our open plan office encourages teamwork and communication. You will be working in a respectful environment surrounded by people that care about you just as much as our customers. We also believe diversity is the key to a success. That means your voice will always be heard no matter your role, and there will always be the opportunity to make a big impact.

Who you are

You are passionate about delivering outstanding customer service and possess a motivational leadership style that inspires and engages teams. With a results-oriented mindset and a "can do" outlook, you thrive in high-pressure environments, demonstrating resilience and adaptability. Your strong problem-solving skills and proactive approach to challenges ensure you can tackle any obstacle that comes your way. Excellent interpersonal and communication skills are your hallmark, allowing you to connect effectively with others. As a self-starter, you are adept at organising yourself and others to achieve goals, maintaining a keen eye for detail and a commitment to professional standards.
