

HOSPITAL CONNECTIONS

Connecting with other families with babies with Down syndrome in the hospital

I understand that the Down Syndrome Association of Minnesota will notify me if/when they share my information with another family. DSAM may also contact me to make sure I have been offered all the supports available for my family.

Give this to the hospital staff, or submit this info online at: www.dsamn.org/parents

Parents Name(s) _____

Baby's name _____ DOB _____
