panto goody
bag.

HELP!

Our panto cast have lost their props and rehearsals are about to start! We need your help to find them and get them to rehearsals on time. There's no time for snoozing! Follow the trail, search for the props and make a note of the hidden letter to unscramble the well known pantomime phrase! Fill in your answer and contact information and post it in the post box outside Salisbury Playhouse or submit via the online form.
