Bright Vision Events Ltd

ABOUT US

Bright Vision Events are specialists in planning corporate events and have been delivering exceptional live events to our clients for more than 30 years.

Whether you are looking to host a Conference, Exhibition, Team Building Challenge, Activities, Evening Events, Family Fun Days, or Theming, we have the experience and imagination to deliver an event that will meet your brief and exceed your guests expectations.

All events are approached with a powerful combination of passion and creativity. We pride ourselves in fully understanding what you want to achieve and enjoy the challenge of inspiring you with unique concepts.

Our aim is simple:

"To exceed our customers' expectations by providing event management that delivers exceptional, professional and memorable events."

Whatever event you might be looking to organise, we would be very pleased to share with you some of our fresh thinking and give you plenty of ideas and suggestions that will help make your next event one to remember.

Visit our website to see what our clients say about us:

EXHIBITIONS

Your exhibition stand is an important focal point. We can help you maximise the valuable opportunities presented at exhibitions, road shows and other promotional events.

With our technical support, stand design and build, we will help you attract potential clients with eye-catching branding, create visual impact with the effective use of lighting and integrate innovative technology for maximum promotional effect.

OUTDOOR TEAM BUILDING

Bright Vision Events specialises in delivering a wide range of motivational team activities. We are continually creating new products to add further team building exercises to our already extensive portfolio of engaging and focused activities. Whatever your requirements we can guarantee that we will have a dynamic programme that will meet your objectives, be it to help your teams communicate better and work together more effectively, or simply have a good time in the way of a reward.

INDOOR TEAM BUILDING

Indoor team building activities have really grown in popularity, and we have devised and developed a range of exciting and engaging indoor team building products to cater for the increase in demand from our clients.

As you would expect, our indoor team building activities are designed to be creative, innovative and flexible because they can be operated in almost any available indoor space, whilst also delivering the team dynamic elements associated with a traditional outdoor team building event.

ACTIVITIES & FAMILY FUN DAYS

ACTIVITIES: If you are interested in an afternoon of exciting challenges, then we can help with our activity days. As you would expect from specialists in corporate event and activity management, we can offer a fantastic range of activities, both indoors and outdoors, on land, water and wheels, as well as plenty of other exciting ideas.

FAMILY FUN DAYS: Our Family Fun Days are an ideal way to thank your staff for all their efforts by getting them to bring the family along too. We cater for any numbers, and will guarantee to get everyone smiling. We will help you choose a balanced programme of entertainment ranging from the forever popular face painters for the children right up to giant inflatables, archery and space hopper tournaments for the more active.

FREE VENUE FINDING

Not only do we have an extensive data base of venues throughout the country, but we also have many years of experience both carrying out site visits, and working in hundreds of venues, gaining first-hand experience. We can therefore recommend the most suitable venues for your event considering your specific requirements, location, capacity and budget. We will negotiate on your behalf, to secure preferential rates from hotel groups and independent venues.
