## Welcome to Nailcote Hall

The perfect setting to celebrate your most precious day. Nailcote Hall is a four star 17th Century country house hotel, located in Berkswell and set amongst 13 acres of beautiful Warwickshire Countryside. Built in 1640, the Jacobean house today still holds its original charm and character as do the main house bedrooms. Nailcote Hall was privately owned by the Lant family for over 300 years and has been an independent hotel since 1989.

In 1984 the Hall opened as a restaurant followed with a Georgian style extension in 1989 which added a further 20 bedrooms, function spaces and a library. In 1993 work began to add new leisure facilities, bedrooms, glass marquee and the beautiful Bistro wedding venue. The improvements didn't stop there, the current owner added a further 10 bedrooms to the hotel alongside the Pavilion suite, a standalone wedding venue that overlooks the stunning Warwickshire countryside.

As an independent hotel we pride ourselves on our very personal and friendly service, and with an award winning, experienced Wedding team you are in the hands of experts to help plan and coordinate your special day.

## Your perfect setting

Nailcote Hall offers some wonderful backdrops and beauty spots on your Wedding day, perfect for your photographer to capture those special moments. As you enter our driveway you are greeted by the classic Jacobean country house and front gardens. This entrance provides the chance for you to arrive in style, maybe a horse drawn carriage or a classic car.

Our golf course is set amongst the Warwickshire countryside and is perfect for any of your guests to practice their swing before your wedding day or may be the day after following a wonderful buffet breakfast. Out on our course you will find idyllic waterfalls, bridges and lakes to choose from for your dream wedding photographs. Our new addition to our range of beauty spots is the garden Folly, which offers another unique backdrop for your day.

Walk around the main house hotel past our Grand Marquee and you will find the lower lawn, great for relaxing the evening away before your wedding with close friends and family. This area is also a fantastic space to add to your marquee wedding, for outdoor drinks, canapes or maybe your evening BBQ or Hog roast.

Our setting really does make you feel far far away from the hustle and bustle of the city.

# The Grand Marquee

Surrounded by beautiful gardens and offering stunning views over the Warwickshire countryside, our glass marquee boasts its own private entrance, bar, LED dance floor, stage area and starlight canopy. It is a perfect space for larger civil ceremonies, religious ceremonies and wedding breakfasts.

Our marquee can comfortably hold between 80 and 280 guests for your ceremony and wedding breakfast and up to 320 of your evening guests.

The marquee overlooks our lake and lower lawn, which is perfect for your drinks reception, evening BBQ or Hog roast and may be a spectacular firework display as you watch the sun go down on your special day.

The Lower lawn can also offer a striking back drop for your outdoor blessing or religious ceremony with rows of guests facing the lake as you speak your vows. The marquee can then be used to host your wedding breakfast or reception all set up and ready to go.

Our Marquee is a permanent metal framed glass structure located just behind our main house.

## The Bistro & Lant Suite

Our Bistro suite has one of the most unique wedding entrances in Warwickshire and is a venue like no other. The beautiful stone built staircase makes a truly sensational ceremony entrance. Situated in a stand alone building from the main house, the Bistro & Lant suite has a very exclusive feel to it. The Bistro suite also boasts 28 private bedrooms.

Perfect for civil ceremonies, blessings and religious ceremonies, The Bistro can hold up to 96 seated guests on the lower ground with an additional 44 guests standing or seated on the balcony overlooking your ceremony. The Bistro's glass ceiling offers rays of daylight making this venue like no other. Our Bistro can also hold your wedding breakfast for up to 50 guests.

For larger weddings we suggest our Lant suite, which is located next door to the Bistro. This space is ideal for your wedding breakfast of up to 110 guests and paired with the Bistro can be used for an evening reception of up to 180 guests.

Dancing the night away under the stairs with its glass roof, the Bistro & Lant suite will offer you and your guests a day and night to remember.

## The Pavilion Suite

The newest addition to our family of wedding venues, the Pavilion suite is the smallest venue, offering couples the chance to have a beautiful intimate wedding. Holding up to 50 of your guests for your civil ceremony and 70 for your evening reception, this suite offers a modern blank canvas which is perfect for your chosen theme and decoration.

This suite offers impressive views of our Golf course, lake and countryside from its full length balcony. The Pavilion is a standalone building offering a very exclusive wedding feel. The lower lawn offers great outdoor space to this venue, ideal for your lawn games, bouncy castles or evening catering, with the chance to watch your romantic firework display from your private balcony.

The Pavilion suite offers its own private entrance, car park and bar area.
