### Welcome to Nailcote Hall

The perfect setting to celebrate your most precious day. Nailcote Hall is a four star 17th Century country house hotel, located in Berkswell and set amongst 13 acres of beautiful Warwickshire countryside. Built in 1640, the Jacobean house today still holds its original charm and character as do our main house bedrooms. Nailcote Hall was privately owned by the Lant Family for over 300 years and has been an independent hotel since 1989.

In 1984 the Hall opened as a restaurant followed with a Georgian style extension in 1989 which added a further 20 bedrooms, function space and a library. In 1993 work began to add new leisure facilities, bedrooms, wedding suite and the beautiful Lant Suite with our grand staircase. Our improvements didn't stop there, our current owner added a further 10 modern bedrooms to the hotel alongside the beautiful Pavilion, a wedding venue that overlooks the stunning Warwickshire countryside. As an independent hotel we pride ourselves on our very personal and friendly service, and with an experienced Wedding team you are in the hands of experts to help plan and coordinate your special day. Boasting amazing views and beautiful wedding suites, Nailcote Hall offers a fantastic back drop to your wedding day.

# Your perfect setting

Nailcote Hall offers some stunning backdrops and beauty spots on your Wedding day, perfect for your photographer to capture those special moments. As you enter our driveway you are greeted by the classic Jacobean country house and front lawns. This entrance provides the chance for you to arrive in style, maybe in a horse drawn carriage or a classic car.

Our golf course is set amongst 13 acres of countryside and is perfect for any of your guests to practice their swing before your wedding or maybe the next day after a wonderful breakfast. Out on the course you will also find idyllic waterfalls, bridges and lakes for your wedding photographs.

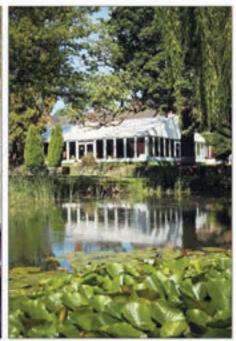

Walk around the main house hotel to the side of the golf course past our Grand Marquee and you will find the lower lawn, great for relaxing the afternoon away the day before your wedding with close friends and family. This area is also a fantastic space to add to your wedding, for outdoor drinks receptions and BBQ's to lawn games and activities.

Our setting really does make you feel far far away from the hustle and bustle of the city.
